# ***LA DOLCE VITA***

## **AUF DER TERRASSE**

Deutschland ist zwar nicht Italien, aber das tut der Lebenslust im Freien keinen Abbruch. La Dolce Vita heißt das Lebensgefühl in der Mittagspause oder nach Feierabend! Wir haben dazu die passenden Terrassenmöbel: Lounge-Atmosphäre ist in diesem Jahr absolut angesagt. Der wohnliche Stil zum zwanglosen Zurücklehnen drückt sich in elegant-lässigen Outdoor-Polstern aus. Ob stylische Geflecht-Sessel oder kuschelige Sofas – wir haben für jede Restaurant- und Hotelterrasse den passenden Stil. Und dank durchdachter Materialauswahl sind unsere Outdoor-Möbel nicht nur schön, sondern auch praktisch: Wasserresistente Bezüge und Polstermaterialien lassen jedes Gastronomenherz höher schlagen.

Machen Sie Ihre Terrasse zum Wohlfühlort für Ihre Gäste. Schaffen Sie Abwechslung, und kombinieren Sie Tische und Stühle, Lounge-Landschaften und Outdoor-Barmöbel. Natürlich führen wir auch klassische Biergartenmöbel und trendige Bauholzmöbel für Ihre Strandbar in unserem Sortiment. Möchten Sie das Platzangebot Ihrer Restaurant- oder Cafétterrasse bestmöglich nutzen? Dann bieten sich unsere designorientierten, stapelbaren Propylen-Stühle an. Gerne tauschen wir uns mit Ihnen aus, wie Sie Ihre Terrasse am besten einrichten. Lassen Sie uns ins Gespräch kommen, und entdecken Sie die vielfältigen Möglichkeiten des Outdoor-Stylings. Für Individualisten bieten wir gerne die Möglichkeit einer Sonderanfertigung an. Wir möchten Sie rundum gut beraten und Ihnen mit viel Service zur Seite stehen!

# **BAUHOLZ-DESIGN**

Outdoor-Bauholzmöbel sind gefragt wie nie. Sie werden individuell hergestellt und begeistern durch ihren rustikalen Charakter. Die Holzmöbel sind wetterresistent. Es macht Spaß, die Struktur des Holzes zu fühlen. Die besondere Haptik vermittelt eine hohe Wertigkeit. Das schlichte und zugleich massive Design sorgt für einen großen Auftritt auf der Terrasse oder im Biergarten. Die unnachahmliche Optik macht Ihren Outdoor-Sitzbereich automatisch zum Magneten. Natürlich ist es auch nicht verboten, die Möbel im Innenbereich einzusetzen und so ein mediterranes Flair zu schaffen.

Die großzügigen Sitzflächen unserer Loungemöbel laden zum Verweilen ein. Nicht nur Szene-Gastronomien und Bäckereien, sondern auch gehobene Restaurants setzen auf unsere Bauholz-Serie, die durch ihre Oberflächen einen antiken Charme ausstrahlt. Übrigens können Sie alle Möbel dieser Reihe frei untereinander kombinieren: Stühle und Sessel für die Outdoor-Lounge, Barhocker und Stehtische für die Strandbar oder den Snack-Bereich und nicht zuletzt lange Tische und Bänke für den Biergarten.

Durch die Einzigartigkeit des Materials ergeben sich immer neue Farbspiele. Denn jede Bohle hat eine andere Oberfläche und nimmt die Farbe anders auf. Insgesamt bieten wir Ihnen Varianten vom washed-out Natur-Look bis zur geölten Wenge. Durch sein Material ist jedes Möbelstück ein Unikat. Da wir die Möbel zum Schutz ausschließlich ölen und nicht beizen, können Sie selbst bestimmen, ob Sie sie immer wieder farblich auffrischen oder das massive Holz bewusst im Used-Look vom Wetter gerben lassen.

## PFLEGE & VERWENDUNG

Bauholz ist ein Naturprodukt, welches sich grundsätzlich nach den äußeren Gegebenheiten verändern kann, daher empfehlen wir grundsätzlich vor dem ersten Gebrauch und danach mindestens 1-2 mal im Jahr mit passenden Pflegemitteln wie Woodclean und Teak-Fix zu behandeln. Durch die Behandlung mit den Pflegemitteln behält das Holz lange sein neuwertiges Äußeres.

# ***KLASSISCHE BIERGARTENMÖBEL*** ***AUS ESCHÉ & CO.***

Im Sommer schön schattig unter alten Linden zu sitzen – ist das nicht einfach ein Träumchen?! Hier, umgeben von der Natur und zwitschernden Vögeln, ist Entspannung pur angesagt! Dazu gehören natürlich auch die typischen Biergartenmöbel: Klappstühle aus Holz. Die Klassiker schaffen die Gemütlichkeit, die Ihre Gäste so sehr lieben. Die Holzlattenstühle gibt es in verschiedenen Formen sowie mit und ohne Lehne. Dazu passend natürlich stilecht die Holzlattentische. Fehlen nur noch der blauweiße Tischläufer und der steinerne Bierkrug mit dem Besteck – und fertig ist der Look!

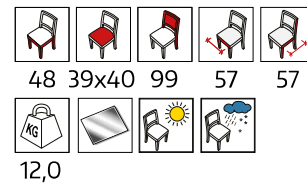

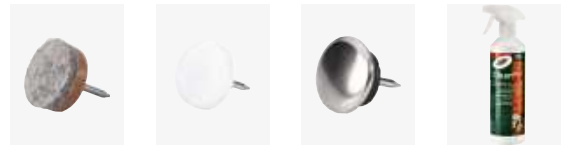

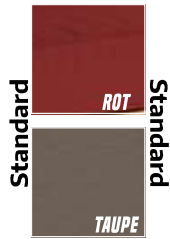

Viele Modelle ähneln sich, doch qualitativ gibt es riesige Unterschiede. Die Gestelle unserer Stühle bestehen aus feuerverzinktem Flachstahl und sind pulverbeschichtet. So können Sie sicher sein, dass Sie viele Jahre Freude an den Möbeln haben. Die Belattung besteht meist aus Eschenholz. Die Esche hat beste Eigenschaften, denn sie ist hart und elastisch zugleich. In den Farben von Kiefer bis Kastanie findet sich sicher eine Variante, die zu Ihrem Biergarten und vielleicht auch optisch zum Indoor Mobiliar passt. Durch die mehrfache Dickschicht-Lasierung wird das Holz noch haltbarer. Auch das robuste, biegsame Akazienholz bewährt sich auf der Gastro-Terrasse. Das ist durchdachte Qualität, die Gastronomen und Hoteliers Spaß macht! Und nach der Saison klappen Sie unsere Möbel platzsparend zusammen und verstauen sie in Ihrer Remise oder Scheune für die nächste Saison!

# ***DAS WIRD EIN STYLISCHER SOMMER!***

Schenken Sie Ihren Gästen einen unnachahmlichen Sommer auf Ihrer Gastro-Terrasse! Mit unseren Geflecht-Möbeln schaffen Sie eine einzigartige Atmosphäre. Sie wirken warm und wohnlich. Ganz automatisch schaffen sie ein einladendes Ambiente.

Wir von A.B.C. Worldwide haben die Qualität von Outdoor Geflecht Möbeln im Laufe unserer langjährigen Erfahrung perfektioniert. Die Basis ist immer ein robustes und gleichzeitig leichtes Aluminium-Gestell mit einer hochwertigen Pulverbeschichtung von Akzo Nobel. Die doppelten Verstrebungen prädestinieren unsere Terrassenstühle und -sessel für den gastronomischen Alltag, denn hier sind die Belastungen weitaus höher als in einem Privathaushalt. Das Geflecht ist witterungsbeständig und bleibt auch nach vielen Jahren des Gebrauchs elastisch. Es wird mit Marken-Farben aus dem Hause BASF gefärbt und ist selbstverständlich UV-beständig. Auch nach vielen Jahren des Einsatzes auf Ihrer Restaurant-, Café- oder Hotel-Terrasse gibt es keine Verfärbungen. Ein Schutzring um den Fuß verhindert, dass sich das Geflecht abwickelt.

Sie finden unsere Geflecht-Sitzmöbel in vielen Spielarten: vom Stuhl über den Sessel und das Sofa bis zum Barhocker. Für das Plus an Bequemlichkeit sorgen unsere Sitzpolster mit wasserresistenten Polstern und Bezügen. Das Beste: Die Tische dazu erhalten Sie in den passenden Dekoren - so wird Ihre Outdoor-Möblierung eine runde Sache! Und sollte Ihnen einmal ein Stuhlgleiter abhandenkommen, profitieren Sie von unserem großen Ersatzteillager.

Stapelbar bis zu 8 Stühle

Geflechte, speziell hergestellt aus Kunststoff, extrem widerstandsfähig, witterungsbeständig und UV-beständig. Die Geflechte sind mit Farben von „BASF“ gefärbt.

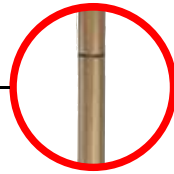

Nahezu alle Modelle mit passenden Stuhlkissen lieferbar.

Doppelte Verstrebung unter den Sitzen, bei vielen Modellen auch mit Kreuzverstrebung.

Kunststoffgleiter für nahezu jeden Bodenbelag geeignet.

Starke Aluminiumrohre, mit Pulverbeschichtungen von „Akzo Nobel“, für langjährig gleichbleibende Qualität.

# ***OUTDOOR-TISCHE FÜR WIND & WETTER***

Wofür haben Sie sich entschieden? Für Terrassenmöbel aus Bauholz, Aluminium – oder soll es eine klassische Biergartengarnitur werden? Egal, wie Ihre Wahl ausfällt, wir liefern Ihnen die passenden Terrassentische, die genauso pflegeleicht sind wie unsere Stühle. Da wir schon seit vielen Jahren die Gastronomie und Hotellerie mit Indoor- und Outdoor-Möbeln beliefern, wissen wir, worauf es für Sie ankommt. Neben einer schicken Optik achten wir darauf, dass die Möbel funktionell sind. Denn je weniger Pflegeaufwand Sie mit unseren Outdoor-Möbeln haben, desto geringer sind die Personalkosten. Meist reicht bei unseren Outdoor-Tischen ein Abwischen mit einem feuchten Tuch – und schon sieht wieder alles picobello aus.

Unsere Tischgestelle sind – egal ob Vierfuß-Tisch oder Klapptisch, für die hohen Anforderungen des Gastronomiealltags konzipiert. Schließlich sitzen die Gäste bei schönem Wetter den ganzen Tag auf Ihrer Terrasse – vom Frühstück bis zum Abendessen. Deshalb müssen Gestell und Verbindungen entsprechend strapazierfähig sein.

Rechteckige Tische mit massiven Stollen gibt es aus Bauholz oder mit Alugestell. Sie sind stabil, standfest und für den Ganzjahreseinsatz wie gemacht. Entscheiden Sie sich für Klapptische mit einer pflegeleichten Design-Platte, einer Tischplatte aus Polywood oder Eschenholz, so können Sie diese auch als Extra-Tische für große Bankette einsetzen. Wie auch immer Sie sich entscheiden – an unseren Terrassentischen werden Sie viele Jahre Freude haben!

# ***SONNENSCHIRME IN GASTRO-QUALITÄT***

Sobald die ersten Sonnenstrahlen durch den Himmel dringen, wollen alle draußen sitzen. Doch wer will schon in der Sonne schmoren? Gerade die letzten heißen Sommer haben uns gezeigt, dass Sonnenschutz und Sonnenschirme ein Muss in der Außengastronomie sind. Sie bringen Frische und Kühle und schützen Ihre Gäste vor ungeliebten UV-Strahlen. Und da sie zugleich wasserunempfindlich sind, sind sie auch bei Regen äußerst nützlich. So können Ihre Gäste in Ruhe ihren Cocktail zu Ende trinken, ohne dass hektische Umzüge ins Restaurant stattfinden.

Sonnenschirm ist nicht gleich Sonnenschirm: Da in der Gastronomie und Hotellerie die Schirme dauerhaft im Einsatz sind, haben wir sie besonders stabil mit einem hochwertigen, pulverbeschichteten Aluminium konstruiert. Wir bieten sie Ihnen bis zu einem Durchmesser von 4,50 m an. Wählen Sie zwischen Standschirmen und Ampelschirmen. Bei den Füßen haben Sie die Wahl zwischen Fußkreuzen und Bodenhülsen. Die Stoffe sind bewusst so ausgesucht, dass sie auch bei häufiger Sonnenbestrahlung möglichst lichteucht bleiben. Wählen Sie unter verschiedenen Farbtönen den passenden Schirm zu Ihrer Outdoor- und Indoor-Möblierung aus. Sie werden den Kauf nicht bereuen.

Oder wie wäre es mit einem Pavillon? Hier bieten wir Ihnen Pavillons verschiedener Größen bis zu einem Höchstmaß von 32 m<sup>2</sup> an, die Sie mit attraktiven Seitenteilen in einen wetterresistenten, zusätzlichen Gastro-Raum verwandeln. Ideal für Partys und Gartenfeste! Und für kühlere Tage gibt es wärmende Heizstrahler.

## GRATTONI ESPERTI SELEZIONATORI DEL DESIGN

**GUIDATO DA UNA SPICCATÀ SENSIBILITÀ VERSO IL BELLO, IL TEAM GRATTONI RICERCA E SELEZIONA I MIGLIORI COMPLEMENTI D'ARREDO, PER UNA PERFETTA COMMISTIONE DI ESTETICA DELLE FORME E QUALITÀ DEI MATERIALI.**

Estetica e qualità ispirano lo stile di Grattoni, che da oltre trent'anni coltiva la propria passione per l'arredamento attraverso un'incessante ricerca del bello.

In un perfetto equilibrio tra tradizione e nuove tendenze, Grattoni seleziona e importa i migliori complementi d'arredo per il settore residenziale e contract, attingendo alla propria inestimabile esperienza; una storia di artigianato

capace di reinventarsi con il mutare dei tempi e delle tendenze.

Nata nel 1972 a San Giovanni al Natisone – cuore del distretto italiano della sedia – come produttrice di sedute dal design classico, l'azienda si specializza nel 2010 nell'attività commerciale, importando complementi d'arredo di qualità.

Tra questi sedie, divanetti, poltrone, tavoli e basi per tavoli per interno ed esterno, pensati per il mondo residenziale e contract.

Esperta selezionatrice di prodotti d'arredamento, Grattoni si affida alla spiccata sensibilità estetica del suo team che permette di individuare i complementi d'arredo più interessanti, in una perfetta commistione tra design, funzionalità e qualità. La ricerca del bello è quindi un'attività costante che si sviluppa attraverso le più importanti fiere del settore e le visite alle aziende di maggiore interesse.

L'estetica si lega indissolubilmente alla qualità. Ogni prodotto scelto deve poter garantire gli standard qualitativi imposti dall'azienda, che richiede controlli meticolosi prima di ogni spedizione verso la sua sede. I controlli vengono poi replicati all'interno dei

cinquemila metri quadri di area giacenze, situata in prossimità degli uffici dell'azienda; uno spazio sempre rifornito che permette a Grattoni di spedire ogni ordine in giornata. Il servizio, celere e organizzato, riflette infatti la precisione della famiglia Grattoni, sempre disponibile per consigliare e assistere il cliente.

A contribuire in modo determinante alla crescita continua dell'attività è però soprattutto la passione, che alimenta l'interesse e il coinvolgimento di ogni membro dell'azienda per il proprio lavoro e per il settore dell'arredamento.

È proprio questa grande passione ad aver ispirato IDOL: la linea di prodotti, interamente dedicata al mondo dell'outdoor, che raccoglie gli elementi di design più interessanti e originali secondo Grattoni. Una ristretta selezione di divani, salotti, poltroncine e lettini dallo stile elegante e ricercato, realizzati con grande cura per ogni dettaglio e con materiali di ottima qualità, pensati per durare a lungo e resistere a qualsiasi condizione atmosferica.

Con IDOL, Grattoni porta la propria attività di selezione ad un livello più alto. Assecondare le tendenze non basta: attraverso un profondo studio del mercato e della società, Grattoni si pone l'obiettivo di anticipare e creare nuovi trend, proponendo una linea di prodotti dalla personalità raffinata ma decisa. Ogni elemento di IDOL riflette infatti la volontà dell'azienda di ispirare la creazione di rilassanti e moderne lounge all'aria aperta, conversando con architetti e progettisti nell'universale linguaggio della bellezza.

**IDOL, CON LA SUA PERSONALITÀ RAFFINATA E DECISA, È LA LINEA DI PRODOTTI DEDICATA ALL'ARREDAMENTO OUTDOOR CHE PORTA L'ATTIVITÀ DI SELEZIONE DI GRATTONI AD UN NUOVO LIVELLO. UN'ISPIRAZIONE PER MODERNE LOUNGE ALL'ARIA APERTA, CHE ANTICIPA E CREA NUOVI TREND.**

## GRATTONI EXPERTLY SELECTING EXCEPTIONAL DESIGN

**GUIDED BY THEIR EXCEPTIONAL AESTHETIC SENSIBILITY, THE GRATTONI TEAM SOURCE AND SELECT THE FINEST FURNISHINGS AROUND, FLAWLESSLY FUSING VISUALLY APPEALING FORMS AND SUPERIOR MATERIALS.**

Grattoni has been nurturing a passion for furniture for over 30 years. In its tireless pursuit of beauty, it has made quality and aesthetic appeal the cornerstones of its style. Grattoni has proved capable of reinventing itself to adapt to changing times and fashions. Drawing on its invaluable experience in craft production, it establishes a perfectly poised blend of traditions and the latest trends by select-

ing and importing the finest furnishings for the home and contract markets.

The company was founded in 1972 in San Giovanni al Natisone, in the heart of the Italian chair manufacturing district. Having started out as a producer of chairs with classic designs, since 2010 it has been a specialist importer and trader of superior furnishings. Its selection caters to both the home and contract markets and includes chairs, sofas, armchairs, tables and table bases for indoor and outdoor use.

Thanks to the exceptional aesthetic sensibility of its team, Grattoni proficiently selects first-rate furnishing products. It picks out the most interesting furnishings around, flawlessly fusing superb designs, practicality and quality. On their ceaseless search for the most attractive creations, the team go to the top trade fairs in the field and visit all of the most interesting companies.

In all of the products, visual appeal must go hand in hand with quality. Every item selected has to meet the quality standards set by the company, which demands meticulous checks before every shipment to its premises. The checks are then repeated

in the 5,000 m<sup>2</sup> warehouse near the company's offices. It is always well stocked, which means that Grattoni is able to ship all of its orders on the day they arrive. The prompt, efficient service reflects the scrupulous nature of the Grattoni family, who are always happy to advise and help customers.

The key factor behind the constant growth of the business is the passion that drives the investment and engagement of all of the members of the team in both their work and the furniture industry as a whole.

It was this sense of devotion that inspired IDOL: a line of outdoor products featuring what Grattoni considers to be the most interesting and original designs around. The select range of sofas, lounge sets, armchairs and sun loungers is stylish and sophisticated. Great attention to detail and high-quality materials ensure that they are long lasting and able to withstand all weather conditions.

With IDOL, Grattoni is taking its selection process to another level. It is not content to keep up with the latest trends: through in-depth research into society and the market, Grattoni aims to be one step ahead and set new trends by presenting a line of products with refined but bold characters.

Every facet of IDOL embodies the company's desire to inspire relaxing, modern outdoor lounges, as it converses with architects and designers in the universal language of beauty.

**DISPLAYING A BOLD, REFINED PERSONALITY, IDOL IS A LINE OF OUTDOOR FURNISHING PRODUCTS THAT TAKES THE GRATTONI SELECTION PROCESS TO ANOTHER LEVEL. IT INSPIRES MODERN OUTDOOR LOUNGES AS IT STAYS ONE STEP AHEAD AND SETS NEW TRENDS.**
